Why BCA Mobile App Redesign?

Annoying loading time when waiting for the green light

Cramped up UI, discouraging people to explore other functions from m-BCA

What do I aim to fix?

01 Design

Simplified, modern,
and more
engaging UI

03 Focus Point

Giving the
customer a
shortcut for their
convenience

05 Refined UX

User's usual
needs is displayed
with easy access

02 Time Consumed

Reduce the click
amount needed to
do an action

04 All-in-one

Include more
feature in one
page

06 Functional

Keep the old
system that still
works flawlessly

The thumbnail shows a mobile app interface for 'm-Transfer'. It includes a back arrow, the title 'm-Transfer', and a 'Transfer Dana' section with radio buttons for 'Rek BCA', 'Rek dari Bank Lain' (selected), and 'Virtual Account'. Below are dropdowns for '004 - BANK MAYAPADA GROUP', input fields for 'Rek. Tujuan' (6040212322 - RAKYAT BERSATU), 'Jumlah (Rp)' (Masukkan nominal), and 'Berita' (Tulis pesan). A keyboard is visible at the bottom.

This is a detailed view of the 'm-Transfer' app interface. It features a blue header with a back arrow and the title 'm-Transfer'. The main section is titled 'Transfer Dana' and contains three radio buttons: 'Rek BCA', 'Rek dari Bank Lain' (selected), and 'Virtual Account'. Below these are a dropdown menu showing '004 - BANK MAYAPADA GROUP' and three input fields: 'Rek. Tujuan' with the value '6040212322 - RAKYAT BERSATU', 'Jumlah (Rp)' with the value '120.000', and 'Berita' with the placeholder 'Tulis pesan'. At the bottom, there are two buttons: 'Transfer nanti' and 'Transfer sekarang'. An orange arrow points from the text 'Input from user:' to the 'Berita' input field.

The screenshot shows the 'm-Transfer' screen with a white background and a blue header. The header contains a back arrow and the text 'm-Transfer'. Below the header, the title 'Transfer Dana' is followed by three radio buttons: 'Rek BCA', 'Rek dari Bank Lain' (which is selected), and 'Virtual Account'. A dropdown menu shows '004 - BANK MAWAPADA GROUP'. Below this, the 'Rek. Tujuan' field is set to '6040212322 - RAKYAT BERSATU'. The 'Jumlah (Rp)' field is set to '120.000'. The 'Berita' field contains the text 'Transfer utk pembayaran galon'. At the bottom, there are two buttons: 'Transfer nanti' and 'Transfer sekarang'.

Only in 4 clicks, the transfer is done!

It's faster and more efficient than the old m-BCA, which from my experience usually needs around 10 clicks
